Report of School Board

Another year has passed and with all things considered it has been a very prosperous one for our schools.

With a few exceptions we are well satisfied with the progress that has been made. We think we have been very fortunate in securing good and competent teachers. We are sorry that we always have to speak of some of the parents needlessly keeping their children from school. What makes good schools are good teachers and good scholars and what makes good scholars as a general rule are those that have been properly brought up at home. Many times parents are almost wholly to blame for the poor success of some of our teachers listening to and believing the magnified stories of their children. In order to have good and successful schools we must have the full support of the parents.

We have nothing to regret; we feel that we have honestly and faithfully performed our duties as a committee.

Minot-Sleeper Library

The Library has pursued the even tenor of its way through another year, both to the profit and it is hoped to the satisfaction of its patrons. The card catalogue and shelf lists have been brought down to date and minor improvements made in various directions. New shelves have been erected at the end of the case containing the Pray collection, on which have been placed the more important of the Reference Books, permitting a desirable re-arrangement of the bound volumes of magazines.

Not quite as many books as usual have been added, but, recently, a goodly collection of juveniles has been purchased which will be placed on the shelves in due time. The number of books now on the shelves for circulation is

	4658
For reference	1878
	<hr/>

Total	6586
-------	------

The reading-room has been maintained from the Day-Jackman fund and has been well patronized.

The following magazines are taken for the present year: Century, Scribner's, McClure, Everybody's, Harper's Monthly and Weekly, Leslie's, Munsey, New England Popular Science, Review of Reviews, World's Work, Granite Monthly, Outing, Outlook, Country Life, Youth's Companion, St. Nicholas, Success, Art Interchange, National, Saturday Evening Post.

During the year after long and efficient service, the Librarian, Mrs. Emma P. Phipps, tendered her resignation

which was accepted, and Mrs. Grace Hammond Wingate appointed to serve during the balance of the year. Two members of the Board at the expiration of their terms felt compelled to decline further service, Hon. B. F. Perkins, who had been an interested and faithful member of the Executive Committee for many years, and Mr. Albro Wells, who, though only serving one term, had rendered valuable service, their places being filled by the appointment of Messrs. Geo. Bertrand Cavis and Daniel B. Weymouth.

At the annual meeting of the trustees the following officers were elected: Chairman, Capt. R. W. Musgrove; secy., Dr. Channing Bishop; treas., Dr. Geo. H. Calley; executive committee, Ira A. Chase, Geo. H. Calley, Marshall White; librarian, Grace Hammond Wingate. Samuel M. Clark was appointed janitor by the executive committee.

In the near future the necessary enlargement of the library will become a problem for serious consideration. It is the earnest wish of the trustees that many who do not now visit or patronize the library would come in and avail themselves of the valuable privilege of reading the best magazines and taking out some of the useful, helpful and interesting books contained in this Public Library.

Respectfully submitted,

R. W. MUSGROVE
CHANNING BISHOP
M. W. WHITE
